THE WAY TO UPGRADE YOUR TRAVEL EXPERIENCE

With Star Alliance Upgrade Awards you can now use your miles or points to upgrade your entire journey across all 27 member airlines.

This means you can upgrade one class of service, whether you're travelling for business or leisure, alone or with your family. We are proud to be the first and only airline network offering Upgrade Awards across all our member airlines, giving you more opportunities to redeem your rewards than any other airline alliance.

An upgrade goes beyond a more comfortable seat during your flight. We will upgrade your entire travel experience with added benefits such as extra baggage allowance, priority check-in and lounge access. Why settle for queuing up in a crowded airport, when you can enjoy a nice cup of coffee in one of our lounges?

We've also made it easier for you to travel in more comfort, by allowing you to apply for your upgrade online.
