

EGYPTAIR PLUS NEWS

Gold Card members can transfer from 5.000 miles up to 50.000 miles to any other EGYPTAIR Plus member.

***UPDATE YOUR PROFILE**

Always present your membership card at reservation to assure adding your flight miles automatically.

For continuous updates and special offers, use your pincode along with your membership ID to update your personal EGYPTAIR Plus profile through www.egyptairplus.com

Please check your miles regularly to avoid losing them as they expire after 3 years from the date of your flight.

Please make sure your address, email address and telephone number are correct.

If the name mentioned on the frequent flyer profile is different than your name on the passport, please send us a scanned copy of your passport as miles will not be added unless your name matches with the passport.
